Today, Estimated at . . . 22,000

## SILENT TRIBUTE TO HERO DEAD WILL BE PAID NOV. 11

When Whistles Blow at 9 a. m.  
People of Glendale Asked  
to Briefly Bow Heads

One minute of 9 o'clock Pacific time, Armistice Day, November 11, 1921, the city's siren will shriek and at that hour the populace of Glendale are asked to stand facing the west in silence with bowed heads for two minutes.

This tribute to the hero dead of the world war is asked by the American Legion as one part of their observance of Armistice Day. Throughout the nation similar respect will be paid those "buddies" who paid for victory with their lives.

It was announced at last night's meeting of Glendale Post No. 127, American Legion, by Don Nicoles, chairman of the Armistice Day parade, that the spirit evoked by other patriotic and civic bodies was excellent and he was sure of hundreds appearing in the line of march this year.

**Cameramen Men at Work**  
One feature of the parade will be Mary Pickford's company making motion pictures of the event for use in a forthcoming release, it is understood. The cameramen are scheduled to be at Broadway and Brand boulevard atop the Pacific Electric depot.

During the carnival events next week a series of four-minute speeches will be made at the various shows with the idea of impressing the people with the meaning of Armistice Day, according to Post Commander Emil O. Kiefer. Sunday night the Legionnaires will meet at Wilson and Central avenues to attend patriotic services prepared by a former chaplain, the Rev. C. M. Calderwood.

A tent will be maintained on the showgrounds at Harvard and Orange street all next week as headquarters for American Legion membership and Red Cross roll call drives. "Join Now" badges will be seen on every lapel. Two hundred and fifty tents also will be for sale.

**Those Meriting Patronage**  
The Legionnaires last night went on record as opposed to any co-operative advertising schemes which favored of blackmailing merchants. However, they do favor having a published list of all concerns meriting the patronage of world war veterans. In this category would be businesses operated by ex-service men, those employing ex-service men and those conducted by war mothers or relatives of ex-service men. Many jobs were reported open to Legion men.

William J. Raymond, Marion A. Stump and Ray Moon were initiated into the organization last night. Several applications were voted upon and W. F. Carroll of George Washington Post No. 1, Washington, D. C., and Samuel Weinstein of Kings County Post No. 500, Brooklyn, N. Y., were introduced to the Glendale comrades.

## Mrs. Kate Williams Is Hostess Behalf Chapter

Members of Chapter BA, P. E. O., met for an all-day session yesterday at the home of Mrs. Kate Williams, 208 South Orange street, the assisting hostesses being Mrs. Elizabeth Downing and Mrs. Laura Killie. The regular business meeting, which was held in the morning, was presided over by Mrs. Madeline Kelley. At that time a splendid report was made by Mrs. Edith Arnold, philanthropic chairman. Mrs. C. C. Cooper was initiated into the chapter.

After a most delicious luncheon a book review was given by Mrs. Kate Parker on "Braves," by Norris. It was announced that the meeting November 18 will be held at the home of the state president, Mrs. Lola P. Bennett at Orange. It had been planned to hold yesterday's meeting there, but it was found necessary to postpone this until November 18. Guests of Chapter BA yesterday were Mrs. Flora Temple of Chapter L and Mrs. J. T. Crampton of Chapter CJ.

## Mrs. Helen Campbell's Home Scene of Party

Mrs. Helen Campbell of 718 East Harvard street was hostess yesterday afternoon to the members of the Foster Bridge club. Bouquets of mammoth chrysanthemums were used effectively throughout the house. High score was made by Mrs. A. H. Montgomery. At the close of the afternoon delicious refreshments of ice cream and cake were served. Those present included Mrs. C. E. Norton, Mrs. A. H. Montgomery, Mrs. Mabel Rudy, Mrs. A. H. Lapham, Mrs. S. B. Morse, Mrs. Harry Powers, Jr., Mrs. W. J. McIntyre and the hostess, Mrs. Campbell.

## CHAMBER WANTS 100 CARS

E. F. Sanders, chairman of the Chamber of Commerce Armistice day committee, wants more than 100 motor cars in line next Thursday to represent that organization in one of the greatest pageants ever seen in Glendale.

## Mrs. T. H. McDougall Given Sampler Made in Scotland in 1841

Mrs. Thomas H. McDougall of 128 West Elk avenue, who is of Scotch descent, is showing her friends, with great pride, a treasured heirloom, that has recently come into her possession. It is the sampler made by her paternal grandmother in Aberdeen, Scotland, in 1841.

Worked in very fine cross-stitch and eyelet work on material for which the little maid spun and wove the flax herself, it represents hours upon hours of tedious application for a child. The alphabet, numerals, her religious motto composed of four lines of verse, the initials of her brothers and sisters, these latter in rather large capitals, and the place of honor filled with the initials of her favorite brother and herself, little trees and pots of flowers, and the last line of all, in quaint lettering, "ANN REID, STITCHER, 1841, AGE, 12." Who but a "cannie" Scotch lassie would say "stitcher" in preference to "maker"? This sampler is of unusual size, being about sixteen by eighteen inches. The flax was woven very fine and the wool split so very fine that one wonders how a child of twelve could ever have completed the myriads of stitches. It has been laid away many years, but is now under glass, in a very appropriate frame and, needless to say, its price would be "far above rubies," or one might say, it is priceless.

Little Ann grew up and married a Scotch lad, Alexander Moir. Together they emigrated to America while quite young, and were pioneers in Detroit, Michigan. Later, they came west. She became a writer of some note and published a very interesting book of semi-religious poems. She passed away many years ago, but the husband is still living, in Northwood, Iowa, and although he passed his ninety-third birthday six months ago, he is hale and hearty, his mind bright as ever and he keeps up on all the finest literature of the times.

## Frank McGillis Injured in Automobile Accident

Frank McGillis, son of Mr. and Mrs. J. N. McGillis, 1003 East Lomita avenue, is at his home here recuperating from severe injuries suffered when the machine which he was driving collided head-on with another car at the foot of the grapevine grade, thirty-nine miles south of Bakersfield, on the Ridge route last Thursday night.

McGillis was chauffeuring a party of students from the college of osteopathic physicians, University of Southern California, to Berkeley, where they were to attend the football game today. As they wound down the precipitous grade a truck and trailer was seen approaching. Just as they passed a roadster flashed from behind the trailer and struck the fender of McGillis' machine, throwing it from the road. Over and over it went tossing its human cargo of five young men onto the rocks of the roadside.

Warren King of Los Angeles was the most seriously injured, suffering a fractured skull. He is in Mercy hospital at Bakersfield and two operations have been made to save his life. Young McGillis was fortunate in suffering only severe lacerations and concussion. He was first removed to the San Joaquin Valley hospital at Bakersfield, where Dr. J. C. Bahrenburg dressed his wounds. Three other members, including Carroll Cambern, who also was seriously injured, returned to Los Angeles with McGillis last night.

From what can be learned from the boys no fault for the mishap is attached to the local driver, the other car having attempted to pass the heavy truck on a grade.

## Informal Dinner Party for Santa Fe Employees

Walter W. Jones, R. C. Horner and W. F. West of Glendale were members of an informal dinner party which was given at a Hollywood hotel Thursday night, November 3, by the employees of the Santa Fe city ticket office, Los Angeles, and also the outside soliciting forces of the passenger traffic department of this vicinity. After the dinner a few timely and appropriate remarks were made by J. J. Byrne, assistant passenger traffic manager, and who was one of the guests of honor.

The party then adjourned from the hotel to the Horsley film laboratories, where they enjoyed a preview of a new comedy and also some educational and travel pictures. Mr. Horsley then escorted the party through the laboratories and explained the making and developing of films and other interesting details of the business.

## Mr. and Mrs. W. Veitch Hosts at Dinner Party

Mr. and Mrs. W. R. Veitch of 711 North Isabel street entertained with a dinner party at their home Thursday night in honor of their house guest, Vance Veitch, brother of W. R. Veitch, who is visiting here from Dallas, Texas. Vance Veitch was formerly swimming instructor at the Los Angeles Athletic Club and is now serving in this capacity at Dallas. The guests included Mr. and Mrs. H. W. Schumacher and son George of Long Beach, Mrs. William Veitch of Hollywood, Miss Gretchen Veitch of Hollywood, Miss Hazel Colton, Herbert Veitch, Vance Veitch and the host and hostess Mr. and Mrs. W. R. Veitch. Decorations of yellow chrysanthemums were used throughout the house.

## LOCAL MUSIC CLUB HEARS CONCERT BY THREE ARTISTS

Splendid Program Given at  
High School; Drive for  
New Members Starts

The regular monthly concert of the Glendale Music club, which was held in the auditorium of the Glendale Union high school last night, was attended by more than 200 members and friends to hear the splendid program of music given by Lewis Calmon, violin; Mrs. M. Hennion Robinson, piano; Earl Mansfield Bright, violoncello; Mrs. Catherine Shank, soprano.

Just before the program Mrs. Mattison B. Jones, president, announced that the membership drive of the club will begin Monday, the aim being to secure 200 new members. She also announced that at the concert of December 2, Alice Gentle, the noted grand opera singer, will appear.

Other than the regular program, which included the following selections, Mr. Bright played as an encore "Drink to Me Only With Thine Eyes." Especially well received were the violin numbers of Mr. Calmon. The very sympathetic accompaniment of Mrs. Robinson was indeed splendid, while Mrs. Shank received the usual hearty applause which greets her appearance in concerts in Glendale.

**Numbers on Program**  
The program included the following numbers:  
"Trio in F Major" (N. W. Gade), Allegro Animato, Andantino, Allegro con fuoco, by Mr. Calmon, Mr. Bright and Mrs. Robinson; cello solos, "Cantabile" (S. Cui), and "Tartare" (D. Popper) by Mr. Bright; soprano solo, "Papillon von Partenope" (Handel), by Mrs. Catherine Shank; violin solos, "Meditation von Thais" (Massenet), "Ballad Music Von Rosemunde" (Schubert-Kreisler), and "Praeludium and Allegro" (Pagnini-Kreisler), by Mr. Calmon; trio, "Au Bord d'un Ruisseau" (Boisdeffere), "Romance" (Debussy), and "Finale-Allegro assai appassionato" (Mendelssohn), by Mr. Calmon, Mr. Bright and Mrs. Robinson.

The Knabe piano used in the program was donated by the Barnes-Shuck Music company.

## Mrs. J. Roger Bentley Drama Section Hostess

A very interesting meeting of the drama section of the Tuesday Afternoon club was held yesterday afternoon at the home of Mrs. J. Roger Bentley, 715 North Central avenue. At that time the third and fourth acts of "Quality Street," by Barrie, were read.

Mrs. Charles Meadows was appointed chairman of a committee to look after certain details regarding the presentation of the plays by the section the evening of November 18 at the Glendale Theatre for the benefit of the Tuesday Afternoon clubhouse fund. This committee will meet the evening of November 7, at the home of Mrs. Meadows, 721 North Brand boulevard.

The Christmas program, which will be presented at the club by the section, was read and cast by Mrs. R. E. Chase, curator. This will be "Dolls," by Louise Armstrong.

Mrs. John Dunn and Mrs. R. L. Galvin were appointed chairmen of the doll and infants' wear booth, which the drama section will have at the bazaar to be given by the club early in December.

On account of the entertainment being given the evening of November 18, the next regular meeting of the section will not be held until the week following. This will be at the home of Mrs. Malvin Barker.

Mrs. C. L. Andrews announced that the members of the cast of the three plays to be presented by the section November 18 will be entertained after the performance by the section at the home of Mrs. J. Roger Bentley, 715 North Central avenue.

## Viola Yorba Retaining Lead in Queen Contest

Miss Viola Yorba still retains the lead in the American Legion Carnival Queen contest, which closes next Wednesday night at 10 o'clock. Announcement will be made the first of the week of the coronation ceremony and Larry Semon on Saturday night will present somebody with a Ford car as the result of this race.

Following is the official standing of the contestants for popularity:  
Miss Viola Yorba . . . 39,275  
Miss Dorothy Morton . . . 34,325  
Mrs. Warren Roberts . . . 25,175  
Miss Winifred Sternberg . . . 22,800  
Miss Louise Moniot . . . 17,975  
Miss Ellen Wheeler . . . 12,800  
Miss Florence Kriski . . . 10,775  
Miss Edna Bronnenberg . . . 6,900  
Miss Lucile Park . . . 4,100  
Miss Helen DeLaine . . . 2,500  
Miss Marguerite Eckles . . . 1,525

## WELLS WITH HENRY-BROWN

J. William Wells, manufacturing chemist, who was formerly associated with the Imperial Fruit Products Co. of 540 West Broadway, New York City, now is with the Henry-Brown company here, manufacturers of Sierra Club Beverages.

## Four Million Dollar Mark Well Passed in Local Building

More than four and one-quarter million dollars' worth of building to date this year!

Month of November at noon today showed \$1,054,415.

Ralph's Grocery company of Los Angeles this morning took out a permit to erect a \$27,500 four-story, two-story building with offices and lodge hall on the second floor. It is to be erected on their lot at 201-207 West Broadway, northwest corner of Orange.

The residence at the northeast corner of Broadway and Central avenue, occupied by C. W. Dudley, was purchased yesterday by D. J. Hanna of 201 West Lexington drive and the Edwards & Willey Co., for a consideration of \$20,000. It is 120 feet on Broadway and 53 feet on Central avenue. There will be a six store building under construction within sixty days. The house will be moved at once. The property is adjacent to Ralph's store site.

## Franklin Wolcott Nearly Bites His Tongue in Two

Franklin Wolcott, age 12, son of Mr. and Mrs. R. E. Wolcott, 312 West Colorado street, was the victim of a serious accident this morning which he is unable to explain—for he nearly bit his tongue in two.

According to E. V. Jellison of the J. & K. garage, 1006 South Brand boulevard, the boy was following a motor truck on Brand boulevard, when he accidentally pitched off his bicycle and bumped the back end of the commercial car.

When picked up the boy was bleeding at the mouth and Dr. Presley O. Lucas removed him to the office of Dr. Harry V. Brown, where three stitches were taken in the tongue. Franklin also suffered a laceration of the forehead and bumped nose. He will recover, but for a few days he will have to survive on soup.

## W. A. BRADEN TO BAY CITY

W. A. Braden, who recently sold the Legume Transfer Service here and moved to 428 Griffin avenue, Los Angeles, has gone to San Francisco and other bay cities on a business trip. He was accompanied by his wife and her sister, Mrs. Evangeline Quackenbush, who expect to spend ten days visiting friends and relatives in the northern part of the state.

## Today's World News In Brief

(By International News Service to Glendale Evening News)

TOKYO, Nov. 5.—The Japanese cabinet has resigned following the assassination of its head, Premier Takashi Hara.

TOKYO, Nov. 5.—Count Uchida, foreign minister, has been appointed acting premier of Japan, succeeding Takashi Hara, who was assassinated.

TWIN FALLS, Idaho, Nov. 5.—Mrs. Lyda Southard, convicted of murdering her fourth husband, by poisoning him shortly after their marriage, will be sentenced Monday.

WASHINGTON, Nov. 5.—Secretary of War Weeks today declared that he is confident that all of the charges made against the army by Senator Watson of Georgia will be disproved.

WASHINGTON, Nov. 5.—A "moral" agreement for the passage of a much amended compromise tax bill by Monday night was reached today by republican and democratic senators.

CHICAGO, Nov. 5.—Antone Basetic, editor of a foreign language newspaper was shot dead today in the real estate offices of Cannizzo, Jurko & Co., by one of two unidentified assassins.

SPRINGFIELD, Ill., Nov. 5.—Miners in the western Pennsylvania coal fields were instructed by International President John L. Lewis today to remain at work unless the operators had taken any action to impair existing agreements.

LOS ANGELES, Nov. 5.—Authorities at Vernon, a suburb, today began an investigation of reports that a series of fires there within the last month which have caused total damage of \$1,000,000 may have been due to the operations of an organized gang of incendiaries.

DETROIT, Mich., Nov. 5.—Four auto-bandits staged three daring payroll robberies here today and escaped with a total of \$4000. The Diamond Coal & Coke Co. was robbed of \$1500; the office of Pittman & Dean, \$2000, and Elmer Genroth, carrying the payroll of the Electric Battery Service company was relieved of \$500.

WASHINGTON, Nov. 5.—The retirement of Secretary Mellon as the "fiscal head of the government" was demanded in the senate today by Senator La Follette, republican, of Wisconsin, in charging that Mellon had "brazenly and impudently laid down the principle that wealth will not and cannot be made to bear its full and fair share of taxation."

LOS ANGELES, Nov. 5.—Madalynne Obenchain will be called before the county grand jury again next week to tell her story of the slaying of J. Belton Kennedy, for which she was charged with murder, as soon as she recovers from the nervous prostration that caused her collapse on the witness stand yesterday, District Attorney Woolwine announced today.

## Many Unique Ideas Carried Out at Annual Stunt Party Given by Girls at High School

There is always something interesting in The Glendale Evening News. Betty Mabery, Daughter of Henry N. Mabery, 727 W. Windsor Road, not only reads The Glendale Evening News and believes in it—she wears it, too, sometimes. Her costume at last night's annual stunt party of high school girls and their feminine teachers and friends was made entirely out of recent issues of this paper. Miss Mabery says she likes The Glendale Evening News 'cause it contains so much interesting information.

## Bewildering Array of Many Colored Costumes, Past, Present and Future

Japanese lanterns, knitting bags, grand pianos and people of all nations were represented in the array of costumes worn by the girls of Glendale Union high school at the girls' annual stunt party, which was held last night in the gymnasium of the high school, with more than 500 present. Costumes representing fashions of olden times and other unique ideas were carried out. Many of the girls came dressed as twins, representing many of the famous twins of advertising and "funny" paper fame.

Miss Velma Bolton was awarded a box of candy as the prize for having the most original and clever costume. She represented a baby grand piano, with "ivory" keys and all the trimmings.

Prize for the best stunt was awarded to the freshman class, and consisted of a box of candy. Their stunt was a girl, dressed in "midway" suit, seated at a table studying. As she pursued her studies the various subjects were represented by various girls of the class who represented physiology, a ghost carrying a skull in one hand and a bone in the other; Spanish, a Spanish dancer; French, dancer; English, a girl attired in hunting costume. The sophomore senior girls' stunt was along the same line, both being burlesques on "Romeo and Juliet." The senior girls, however, had their stunt worked out more cleverly. The part of Romeo was taken by Doris Packer and Juliet by Julia Robinson. An Indian campfire scene was the idea carried out by the girls of the junior class, who represented Indian squaws and chiefs. Clara Park took the part of Minnehaha and Frances Wyman, Hiawatha.

**They March Backward**  
The "dignified" women of the faculty were attired to represent a group of "backward" pupils. They had donned their clothes backwards, with veils over their faces and masks over the back of their heads. Instead of "forward march," it was "backward march" for them.

A very clever song sketch was put on by the post-graduate girls, one of whom was dressed as a boy. As she sang about wanting a girl for every month of the year, her classmates entered in costumes to represent the various months.

The prize waltz, after much consultation and elimination, was finally conceded to Orrel Hester and Louise Hester in the one gymnasium, and to Catherine Guthrie and Marie Hearnshaw in the other gymnasium.

## A. C. SHIVELY COMES HERE

A. C. Shively, who has recently come to Glendale from Fargo, N. D., is domiciled with his family at 923 North Brand boulevard. He expects to enter business here, probably the building game, in the very near future.

## ONE MAN DEAD, TWO HURT RESULT OF CROSSING CRASH

Wesley Reeves Killed, S. T. Bronnenberg, M. L. Ogden Injured by Train

One man was killed and two men were severely injured early last night in a grade crossing accident at Brand boulevard and the Southern Pacific tracks.

Wesley Reeves of Glendale is dead in Los Angeles; Samuel T. Bronnenberg, 214 West Harvard street, and M. L. Ogden, 501 West Colorado street are in the Glendale Sanitarium Hospital.

Blame for the accident is placed upon the flagman at the crossing, who lives in Boyle Heights, Los Angeles, by the survivors of the accident.

All three men are Odd Fellows. Mr. Reeves was waiting on the corner of Brand boulevard at Broadway for a car to Los Angeles when he was met by Mr. Bronnenberg, a friend, and was quite delighted to think of having his company during the evening. They were offered a lift by Mr. Ogden, who passed in his Overland car while they were waiting, and all three men started to Los Angeles to attend ceremonies of an Odd Fellows' lodge. Mr. Reeves was to have been initiated into the Encampment Degree.

At the railroad crossing Mr. Ogden, who was driving the car, was not aware of the approaching train. He did not notice the flagman in the center of the track because he was hidden from sight by an auto which crossed the tracks just ahead of their car. When Mr. Ogden got to the middle of the crossing and noticed the flagman for the first time, the train, which was coming from Los Angeles and bound northwest, was only about six feet off.

**Tries to Back Off**  
Realizing immediately that the auto would be hit, Mr. Ogden stopped the automobile and made a frantic attempt to back off the crossing.

Smashing into the front of the automobile the cowcatcher of the engine swung the auto around so that the rear of the car on the right side, where Mr. Reeves was sitting, received the brunt of the blow.

Mr. Reeves was pulled from the wreckage by spectators, who hurried to the scene, and rushed to the receiving hospital in Los Angeles, dying en route.

Mr. Ogden, who had been hurled from the auto, was picked up unconscious. (Continued on Page 3)

## P. F. Powers Calls on His Old Friends Here

P. F. Powers, former resident of this city and graduate of the local high school, was in Glendale yesterday visiting with former friends and acquaintances for the first time in over twelve months. Upon graduating from the Glendale high school in June of 1919, Mr. Powers, accompanied by Harold Russell, son of Dr. Jessie Russell of this city, left for a year's vacation throughout the eastern and middle western part of the United States. Young Russell returned to Glendale two months ago to finish his course of studies at the local high school, while Powers did not return to his home until three weeks ago.

Powers is now living in Pasadena at the home of his mother, Mrs. A. Powers, who formerly resided on East Colorado boulevard, this city. He is engaged in the automobile business.

## AT CUNNINGHAM HOME

Mrs. D. W. Cunningham of 725 Glenwood Road entertained with a delightful four-course dinner Thursday night. Her guests included Mr. and Mrs. Shively and two sons, recently from North Dakota; W. E. Hewitt and mother, Mrs. M. S. Hewitt of 911 Randolph street. Mr. and Mrs. Shively have taken the Porter residence at 923 North Brand boulevard. Beautiful decorations of pink roses and lavender chrysanthemums were used effectively throughout the Cunningham home.

## CITY IS BEING DRESSED UP

Glendale is being dressed up in red, white and blue bunting and American flags by the Allen Decorating company in honor of the American legion carnival, which begins on next Monday and continues through the Armistice day celebration. Many sang about wanting a girl for every month of the year, her classmates entered in costumes to represent the various months.

The prize waltz, after much consultation and elimination, was finally conceded to Orrel Hester and Louise Hester in the one gymnasium, and to Catherine Guthrie and Marie Hearnshaw in the other gymnasium.

## PRICE CONDITIONS ON AUTOMOBILES ARE EXPLAINED

**Lower Cost of Raw Material  
Goes Long Way to Force  
Reduction in Costs**

"The recent cut in the price of the Essex is due solely to the fact that the lower prices of raw material made it possible to sell the cars at a lower price," says a statement from the factory recently received by the Glendale Hudson Motor Car company, 220 North Brand boulevard. "There never has been a surplus of Hudson or Essex cars either at the factory or in the hands of the dealers. There is a general misconception on the part of the public as to the causes which have led up to the almost universal reduction of prices on their products. The impression has gone forth that during the period of higher prices the automobile makers were reaping unprecedented profits, and that it was the so-called 'buyers' strike' which caused them to reduce the price to the public."

**Statement Is Issued**  
"Now that the retail prices of motor cars have reached pre-war figures and can be considered stabilized, the manufacturers are in a position to put before the public the short history of the recent period of readjustment and by so doing make clear the real causes of price fluctuations. "During the period of national spending, which started almost with the armistice and continued until about a year ago, the call for motor cars exceeded anything in the history of the industry. This caused a wild scramble on the part of many automobile makers for the materials necessary for quantity production. In many factories raw materials were purchased regardless of cost and on a constantly rising market. With each advance in the price of raw material, there had to be a corresponding advance in the price of the finished car. Labor also was insistent in its demands for higher wages. "These circumstances caused a most natural inflation in the price of finished cars. In most factories it was necessary to maintain these prices after the excessive demand for cars had moderated. The purchasing agents had overbought at the very top of the market."

**Had Broader Vision**  
"There were some factories, which were more fortunately fixed. These had a broader vision of the temporary nature of the excessive demand. They did not buy raw materials in excess of their daily needs. They did not stock up with materials at the top of the market. Instead of attempting to increase their production greatly they were content to turn out cars in normal quantities. "A most notable example of this policy was displayed by the Hudson and Essex organizations. At the time when the public was crying for cars at any price, we felt that the factory was not taking full advantage of its opportunities. We now see that the policy adopted was the wisest and best for the good of the industry as well as for us. "The Hudson and Essex factories are not accountable to stockholders. They are owned by a handful of men, all of whom are actually engaged in the making of cars. "The idea of quality has always been uppermost. Output was restricted to the number of cars which could be turned out under pre-war standards of merit. In doing so, the factory naturally did not stock up with great surplus stocks. Cars were sold before they were finished."

## Contractor Daniels Says Store Building Will Soon Be Ready

The large new one-story store building now under construction from 104 to 114 North Maryland avenue, may be ready for occupancy by the first of December, according to a statement this morning by Contractor E. K. Daniels, 207 West Lomita avenue, who is also one of the owners. The main store will be 34 by 60 feet in size and is intended for an automobile show room. It is located at the south end of the building adjoining a covered driveway. Later it is planned to erect a large garage in the rear. The other four store rooms will be 14 by 50 feet. Three of them have been spoken for already, but no leases have been signed yet. There are several days' work before the masonry will be ready. Then the cement floors will be laid. The building is owned by H. E. Betz, 424 North Kenwood avenue; R. A. Borthick, 120 East Colorado street and E. K. Daniels.

## Church Services

### CONGREGATIONAL

Central and Wilson Aves. Rev. C. M. Calderwood, pastor. Mrs. C. A. Parker, musical director. 9:45, church school. O. E. Von Oven, superintendent. 11, service of morning worship. Communion service and reception of members. Anthem, "Comes at Times, a Stillness" (Galbraith); solo, "Not Ashamed of Christ" (Danks) Mrs. C. A. Parker. 6:30, consecration meeting of the Christian Endeavor. Leader, Lois Schuyler. 7:30, evening service; the American Legion will attend. Address, "Prepare for Peace." Anthem, "Hark, Hark, My Soul" (Shelton). Tenor solo, "Kingdom's Recessional" (DeKoven) Charles Comfort. Anthem, "In Flanders Field" (Robinson).

### TROPICO PRESBYTERIAN

Sunday school at 9:45 a. m. H. E. Fry, Supt. Morning worship, 11. Rev. J. G. Blue, D. D., of Pasadena, will occupy the pulpit. C. E. service at 6:15. Leader, Margaret Richardson. Topic, "Thy Will Be Done With My Money." Evening church service at 7:30. Short gospel song service followed by special music and the sermon of the evening by Dr. Blue.

### ST. MARK'S EPISCOPAL

Rev. Dr. George H. Cornell, officiating. Twenty-fourth Sunday after Trinity. Church school, 9:45 a. m. Sermon and holy communion, 11 a. m. Subject of sermon, "Concerning Christ and the Churches." Commemorating the 100th anniversary of the board of missions. A cordial invitation is extended to all.

### FIRST BAPTIST

Ernest E. Ford, pastor. Sunday school at 9:30. Roy L. Kent, superintendent. Classes for all ages. Morning worship at 11 o'clock. Sermon by the pastor in accord with the "Armistice Day" program. Theme of sermon, "The Cure for a Sick World." At the morning service Mrs. Paul Elliott will sing, "Fear Not Ye, O Israel" by Dudley Buck. At the close of the service the Lord's Supper will be observed, and the Hand of Fellowship given to new members. At 6:30 the Senior and Intermediate B. Y. P. U. will hold their meetings, the seniors in the room, and the intermediates in the basement of the church. All young people will find a hearty welcome. The evening service will commence at 7:30 with a song service, after which the pastor will preach from the theme, "Our Fundamental Need." Midweek meeting for prayer and testimony on Wednesday evening at 7:30. Teachers' training class on Monday night at 7:30. A hearty welcome awaits all who attend any of these meetings.

### FIRST METHODIST EPISCOPAL

Corner Wilson Ave. and Kenwood St. Rev. Clyde Monroe Crist, D. D., pastor. Carl C. Seitter, A. B., director of religious education. Church school (graded) 9:30. A. W. Tower, Supt. A real school of the Bible. It is for all. Preaching by the pastor at 11 a. m. and 7:30 p. m. Morning subject, "The Disarmament of the Nations." Evening theme, "The Woes of a Good Church Member." On Wednesday evening at 8:45 (after close of prayer meeting) Rev. C. Bromley Oxnham will give his first of a series of weekly lectures on "The Social Principles of the Bible." This is a part of our religious educational program and an invitation is extended to all Glendaleans. Mr. Oxnham is one of the outstanding men on the Pacific coast. The following is Sunday's program of music: Morning—Organ numbers: "Offertoire in G Minor" (Wely); postlude (Gounod); anthem, "Thy Trust in the Lord" (Frey); "Watchman, What of the Night?" (Sergeant) M. S. Kuehny and J. B. Clarke. Evening—Organ numbers: "At Twilight" (Nevin); "A Shepherd's Evening Prayer" (Nevin); cornet duet, Mr. Aston and Mr. Lucas; anthem, "All Hail Immanuel" (Gabriel); male quartet, "Abundantly Able to Save" (Bliss). A hearty welcome to all. Seats free.

### GLENDALE PRESBYTERIAN

"The Church of the Lighted Cross." The pastor, Rev. W. E. Edwards, will preach both morning and evening. Morning worship at 11 o'clock; sermon topic: "Back to Christ," No. 3 in the series "Back to God." Evening: Organ recital at 7:15; preaching service at 7:30 when the sermon subject will be "Rehearsal, the King Who Failed to Fix His Heart." Bible school for all ages at 9:30 a. m. H. L. Finlay, Supt. The Men's Bible class meets at the city hall at the same hour with Keith L. Brooks as teacher. All men are invited to attend. The musical program for Sunday, under the direction of Mrs. Fannie Marple Retts, with Miss Carolyn G. Bailey at the organ, will be as follows: Morning, Prelude, "Communion in E Minor" (Battiste); anthem by the quartet, "The Lord Is in His Holy Temple" (Lorenz) Miss Pansy E. Sheldon, soprano; Mrs. Fannie Marple Retts, contralto; Everett Anderson, tenor; C. Clifford Riggs, baritone; offertory, tenor solo (Selected) Samuel B. Glaspe; postlude, "Aria" (Barnaby). Evening, Organ recital: (a) "Serenade" (Schubert); (b) "Offertoire in A Flat" (Read); (c) "The Swan" (Saint Saens); quartet, "Grant Us Thy Peace" (Kirkpatrick); soprano solo (Selected) Miss Pansy E. Sheldon; offertory, "Alleluia" (Smart); quartet, "Abide With Me" (Wilson); postlude, "Postlude" (Hattori).

### PENTECOST

Pentecostal Assembly, 633 E. Colorado St. Services Wednesday and Sunday evenings, 7:45. Sunday school, 10 o'clock. Pastor A. Arntsen. Full gospel, Jesus Christ, Saviour, Baptizer, Healer and Coming King.

### FIRST LUTHERAN

Corner E. Harvard St. and Maryland Ave. Dr. H. C. Fick, pastor. Now members will be received into the church at the morning hour of worship, 11 o'clock. The pastor will deliver the second address on Christ-

tian Science. Dr. Funk holds that the teaching of Mrs. Eddy is a philosophy, not a religion. The Bible school begins at 10 a. m. Vesper services at 7:30 p. m., with an address by the pastor. You are cordially invited to attend.

### CHURCH OF THE NAZARENE

461 W. Harvard St. Rev. Schiedman, pastor. Service at 2:30 p. m.

### PACIFIC AVENUE M. E.

Harley G. Preston, pastor. W. Harvard St. and Pacific Ave. Phone Glendale 1102-W. Sunday school, 9:45 o'clock; John Camphouse, Supt. All invited. Morning worship, 11 o'clock. Subject, "War." Special music. This will be "Armistice Sunday" in the church. Evening services as follows: Epworth League, 6:30. Young people especially invited. Evening worship, 7:30 o'clock. Subject, "Christian Onwardness." The pastor who was overseas during the war will relate his experiences and observations just before and after the signing of the armistice near the front lines. The choir will render special music at both services. If you are without a church home, come! We can help you. If you are looking for church work, come! You can help us.

### CASA VERDUGO METHODIST

Corner of Park and N. Central Aves. Rev. J. C. Livingston, pastor; residence, 1293 N. Central Ave. Services Sunday, Nov. 6, as follows: Sunday school, 9:30 a. m. G. W. Tyrell, Supt. All departments of this rapidly growing feature of our work are under the graded system. Preaching service at 11 a. m. Sermon subject, "The Strength of the Uniform Lift." Special music, Miss Gladys Sharpe, pianist. Anthem, "The Lord Is My Light" (Miles); offertory solo, Mrs. Cotton, "O Rest in the Lord" (from "Elijah"); Epworth League, 6:30 p. m. Robert M. Gaddis, president. You will enjoy this hour with our young people if present. The evening service at 7:30 preceded by a period of popular gospel song is of marked informality. Special number by the choir, "At Sunset" (Gabriel). Offertory solo, Miss Vera Sasse, "Roses" (Gabriel). The subject of the pastor's sermon, "The Discourteous Guest." If you are not worshipping elsewhere, follow N. Central Ave. to the church of the "Flaming Cross."

### NEW THOUGHT CENTER

Masonic Temple, Brand Blvd. Lecture by Dr. Frank L. Riley. Sunday school at 9:45 o'clock. The Wednesday evening meeting at Mr. Carmack's corner. Welcome all.

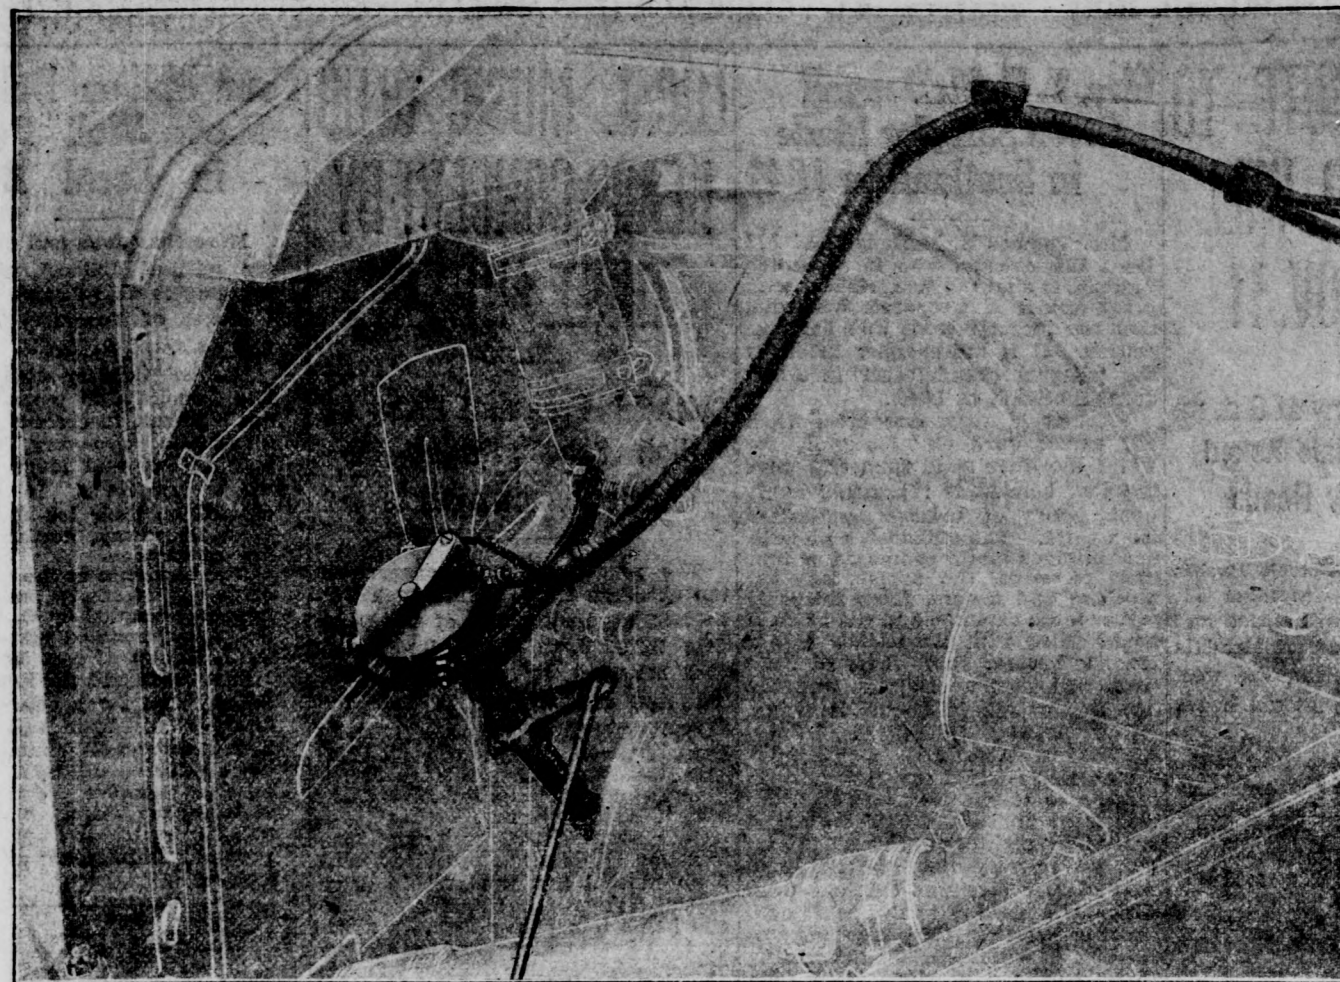

### CHRISTIAN SCIENCE

First Church of Christ, Scientist, corner Maryland and California Aves. Services Sunday at 11 a. m. and 8 p. m. The lesson sermon is from the Christian Science Quarterly Bible lessons. Subject, Sunday, Nov. 6, "Adam and Fallen Man." Sunday school at 9:30 a. m. Wednesday evening testimony meeting at 8 o'clock. Reading room, 135 S. Brand Blvd., open daily except Sunday and holidays from 12 to 5 o'clock. Also every Tuesday.

### CHURCH OF THE NAZARENE

Something worth while. Come and hear the old-time religion. The Church of the Nazarene will hold meetings at the K. of P. hall, 1569 San Fernando Blvd. Every Sunday,

## LONGER LIFE GIVEN TO BATTERIES BY THIS INVENTION

**Herman Psenner Tells About  
Good Qualities Discovered  
in Philco Retainer**

"Motorists, with a scientific turn of mind, are greatly interested in the Philco Slotted Retainer, which adds 25 to 50 per cent to the life of a battery," said Herman Psenner of Psenner-Doll Auto Electricians, 610 East Broadway. "It is the patented invention of the Philadelphia Storage Battery company and solves the problem of buckled plates, short circuit and burned out battery cells."

"Hundreds of car owners have asked me how to overcome these difficulties. I was a bit puzzled at first, but after investigating the problem, I discovered the Philco Slotted Retainer, which I considered a wonderful addition to the service qualities offered by the Diamond Grid Construction and Quarter-sawed Hard Wood Separator, which are exclusive features of Philadelphia Diamond Grid batteries."

"When a battery grows old," continued Mr. Psenner, "the active material tends to drop off the positive plates. The Philco Slotted Retainer, placed next to the positive plates, prevents this. They are thin sheets of rubber, perforated with narrow slots—numerous enough to allow free passage of acid and current, but so narrow that each retainer is a solid wall that holds the active material firmly in place."

"An idea of its effectiveness may be had from the fact that while Philadelphia Diamond Grid Batteries without the Philco Slotted Retainer are guaranteed for eighteen months, those equipped with this retainer carry a pledge of two years' life and often last as long as the car in which they are installed."

"Despite this added economy and dependability," Mr. Psenner added, "The Philadelphia Diamond Grid Battery with the Philco Slotted Retainer is now selling at less than pre-war prices."

## WRITER IS SERIOUSLY ILL

SEATTLE, Wash., Nov. 5.—Anna Louise Strong, International News Service correspondent and special publicity writer for the Friends' Relief Service in Poland, Austria and Russia, is seriously ill in the typhus and cholera district of Russia, according to a cablegram received by Tracy Strong, her brother, physical director in the local Y. M. C. A. Grave fears are entertained for her health as last dispatches indicated that she was in the heart of the Samara famine district far from medical relief centers.

## Locals and Personals

E. L. Osborn of 406 West Wilson  
avenue is spending this week at  
Santa Monica.

Mrs. A. P. Offutt of 355 West  
Broadway returned Wednesday from  
a five-days' visit with friends and  
relatives in Bakersfield.

Mr. and Mrs. Bert Killie of Mil-  
waukee are spending the winter at  
the home of their aunt, Mrs. C. G.  
Metzler of 1114 Viola street.

Mrs. J. H. Sturgess of Calipatria,  
who has been a guest for several days  
at the D. L. Sturgess home at 310  
North Cedar street, left yesterday for  
her home.

Miss Annie McIntyre of 718 East  
Harvard street entertained at lunch-  
eon recently Mrs. Harry Bailey of  
Los Angeles and Miss Vera McPherson  
of Glendale.

Adolph Hahn, 325 Ivy street, who  
for the past four years has been a  
resident of Glendale, is leaving to-  
morrow for Krefeld, Kreis Hoechst,  
Germany, where he will make his  
home.

Mr. and Mrs. J. H. Wittmeyer of  
437 West Broadway have returned  
from a several days' visit at San  
Diego. While there they attended  
the meeting of the Southern Califor-  
nia Electrical contractors, jobbers,  
dealers, etc.

Mrs. L. H. Julian, Mrs. Clara We-  
ber, Mrs. Cora Woolsey, Mrs. A. J.  
Dean, Mrs. Charlotte Zittle, Mrs. A.  
J. Chapman, Mrs. Madeline Julian  
and Miss Martha P. Meyer of La  
Crescenta are spending several days  
at Glenn Ranch.

Miss Mabel Eckles, daughter of Dr.  
and Mrs. J. E. Eckles of 330 North  
Orange street, left Friday for Cas-  
mania, near Santa Maria, where she  
will spend a few weeks as the guest  
of Mr. and Mrs. Morris Jackson and  
little daughter, Elinor.

Mr. and Mrs. G. H. Hallam of San  
Diego were callers at the Circle Real  
Estate company, 120 North Brand  
boulevard, yesterday. Mr. and Mrs.  
Hallam have decided to purchase  
property in Glendale and move here  
about the first of the year.

Little Dorothy Kennedy, grand-  
daughter of Mr. and Mrs. A. A. At-  
wood of 430 West Burchett street,  
returned to her studies at the Colum-  
bus avenue school yesterday after an  
absence of a week, during which time  
she has been confined with sickness.

R. F. Fitz, of the Fitz Investment  
company at 1380 East Colorado  
street states that Thorp brothers of  
Minneapolis have purchased the thir-  
teen-acre tract of land at Colorado  
street and Verdugo Road for subdivi-  
sion purposes, and also the Meeker  
ranch adjoining.

Mr. and Mrs. Z. T. Boicourt of 534  
East Windsor Road are leaving Sat-  
urday for Laguna Beach, where they  
will be the guests of a niece and her  
husband, Rev. F. Burkholder, for the  
next several days. Rev. Burkholder  
is the pastor of the Presbyterian  
church at Laguna.

Mr. and Mrs. J. D. Rathbun of  
423 West Colorado street were host  
and hostess at a very delightful din-  
ner party at their home Thursday  
evening. Their guests included Mr.  
and Mrs. Harry Hahn, Mr. and Mrs.  
Charles Inman of Los Angeles and  
Mr. and Mrs. W. W. Paden of In-  
glewood.

T. L. Totman, manager of Chaf-  
fee's store No. 30, has sold his resi-  
dence at 510 North Central avenue  
through the Roy L. Kent agency. B.  
W. Sherwood is starting operations  
on a six-room English cottage at 537  
West Lexington Drive for him and  
Mr. Totman expects to take posses-  
sion about January 1.

Rex Randall, 111 West Broadway,  
chairman of the entertainment com-  
mittee of the Glendale Athletic club,  
announces that a dance and enter-  
tainment will be given by the club  
on the night of December 7. Mr.  
Randall is now securing a hall and  
announces that in addition to the  
dance there will be a program of high  
class entertainment.

*A thought for today*  
BY EDWARDS & WILDEY'S THINKER

Put Your Money In Property

And Go Out And Hustle

For More

The best advice to give a  
man that wants to succeed in  
this world is to tie up his money  
in property and to go into  
debt for some more. That's the  
way the old-timers made theirs  
and that is the way the wise  
newcomers will make theirs.

Investigate our new sub-di-  
visions. Sold on easy terms.  
No better way to invest.

REAL ESTATE INSURANCE  
**EDWARDS & WILDEY**  
CO.  
"IT PAYS TO SEE US"  
GL 250 139 N. BRAND BLVD

## Your Boy

How your heart swells with pride  
when you think of him and his  
possibilities!

You should earnestly support  
every agency which makes for  
the upbuilding of his character  
and future—especially the Y. M.  
C. A. in Glendale which is doing  
a splendid work and needs more  
money than you are giving it.

You should also make sure  
that his education is to be com-  
plete, by securing plenty of in-  
come insurance on your own life.  
Another wise thing is to indemnify  
a little of the economic value of  
his life, by starting him with a  
long endowment at our very low  
rates.

At your service,

**W. B. Kirk**

"Provident" Protection

## Locals and Personals

Levi Fellows of 1116 East Cali-  
fornia avenue is visiting his uncle,  
O. B. Roberts at Van Nuys.

Mr. and Mrs. Jack Harrison of  
Fresno are the guests today of Mrs.  
Earl Calkins, 1116 East California  
avenue.

Mrs. A. Miller, Mary M. Schultz,  
Miss Frances Rice and Miss Margie  
Romer of Glendale are enjoying sev-  
eral days at Glenn Ranch, San Ber-  
nardino county.

Little Miss Reta Schrader of Dor-  
othy Drive is entertaining a group of  
her little friends this afternoon from  
2 until 5 o'clock in celebration of her  
eleventh birthday anniversary.

Mr. and Mrs. John Goetz of 339  
West Garfield avenue have as their  
guest for the winter their son, E. C.  
Goetz, who arrived Thursday morn-  
ing from Laramie, Wyoming. He  
formerly resided in Glendale, but has  
lived in Wyoming for the past four  
years. Mr. Goetz comes here in an  
attempt to regain his health after  
submitting to a serious operation.

## Deaths and Funerals

### EDWARD LEWIS SCYLER

Edward Lewis Scyler passed away  
yesterday afternoon, November 4,  
1921, at 5312 Tujunga street, Lank-  
ershim. Mr. Scyler had a number of  
friends in Glendale and vicinity who  
will grieve to learn of his demise.  
Mr. Scyler was formerly a banker in  
Ann Arbor, Mich., and since residing  
in Lankershim has been owner of the  
Ford agency of that city. He leaves  
a widow, Mrs. E. L. Scyler. The  
body will be taken back to Ann Ar-  
bor November 7 for burial. Funeral  
services will be held at the residence  
in Lankershim Sunday afternoon at  
2 o'clock, L. G. Scovern undertaking  
company, directors.

### MRS. HENRY VAN PELT

Mrs. Henry Van Pelt passed away  
early this morning, Saturday, Novem-  
ber 5, 1921, at her home, 417 North  
Central avenue, after an illness of  
about a year.

Funeral services will be held on  
Monday morning at 11 o'clock in the  
Little Church of the Flowers, under  
the direction of L. G. Scovern. Mrs.  
Van Pelt attended the local Congre-  
gational church and the sermon will  
be preached by Rev. C. M. Calder-  
wood.

Mrs. Van Pelt was born in Ger-  
many, December 23, 1866, but came  
to Iowa when a girl. Five years ago  
the family moved to Southern Cali-  
fornia, and lived in Ocean Park until  
four years ago, when they came to  
this city.

There is one son, Richard Van  
Pelt, and four daughters, Mrs. Ger-  
trude Stadt, 519 North Orange  
street; Miss Anna Van Pelt, Miss  
Harriet Van Pelt and Viola Van Pelt,  
who is a pupil at the Intermediate  
school.

### NELLIE M. STEARNS

Nellie M. Stearns, age 56 years,  
passed away at her residence, 323  
West Windsor road, Friday, Novem-  
ber 4, 1921. She leaves a widow,  
C. W. Stearns, and is the mother of  
Spencer G. Neal and Mrs. Helen Mc-  
Garbie of Glendale. She had been a  
resident of Glendale for about a year  
and was born in Wisconsin. Funeral  
services will be held at 3 o'clock on  
Monday afternoon, November 7, at  
the Little Church of the Flowers, in-  
terment at Forest Lawn. Pulliam &  
Kiefer, directors.

### Geo. M. Anderson

EXPERT VIOLIN MAKER AND  
REPAIRER

wishes to announce that he has

## ONE MAN DEAD, TWO HURT, RESULT OF CROSSING CRASH

Wesley Reeves Killed, S. T.  
Bronnenberg, M. L. Ogden  
Injured by Train

(Continued From Page 1)  
scious and hurried to the hospital of  
the Glendale Sanitarium with Mr.  
Bronnenberg. Neither cases will  
prove fatal.

Mr. Bronnenberg's injuries are the  
more serious. He has several broken  
ribs and a broken collar bone.  
Mr. Ogden was severely cut under  
the left eye and elsewhere on the  
face and sustained a fractured nose.  
He slept fairly well last night and re-  
ported this morning that he felt  
"fine as silk."

Both Mr. Ogden and Mr. Bronnen-  
berg feel well today, considering the  
extent of their injuries and are  
thankful to have escaped alive.

Both men state that the flagman  
did not make the slightest attempt  
to keep them off the track and stood  
with his lanterns at his side until  
the accident occurred when he sud-  
denly seemed to come to life. Mr.  
Ogden stated that he thought the  
train was clear because, although  
the view was obscured by the South-  
ern Pacific tower, he thought that  
he would have heard the rumbling  
of an approaching train.

Mr. Reeves came to Glendale about  
a year ago, after quitting a sailor's  
life, and began work for the Glen-  
dale Creamery, where he had quar-  
ters. Several months ago he went  
east to visit his mother and sister in  
Evanston, Illinois. He was unmar-  
ried and so far as known has no re-  
latives in the vicinity. He was a mem-  
ber of the local Odd Fellows' lodge  
and a Spanish-American war veteran.  
His body is now at theConnell Cor-  
poration's undertaking parlor, 1239  
South Hope street, Los Angeles,  
where the inquest will be held Mon-  
day afternoon at 1 o'clock.

Outside capitalists as well as Glen-  
dale people are beginning to realize  
the investment value of Glendale  
property, according to Charles B.  
Guthrie, 103 1/2 South Brand boule-  
vard, who stated today:  
"The Tenth street boulevard tract  
and the Kipper tract have both met  
with instant and popular favor, and  
people outside as well as the people  
of Glendale are beginning to realize  
that the city must spread out and the  
spreading is rapidly taking place to  
the northwest."

## Outside Capital Is Being Attracted to City, States Guthrie

"I am sending out today thousands  
of circulars to my personal friends,  
calling their attention to the beauty  
of the northwest section and the  
reasonable price at which property  
can be bought at the present time."  
"Capitalists from Hollywood and  
Los Angeles and all the surrounding  
territory are coming to Glendale and  
looking for subdivision property as  
well as close-in business investments,  
realizing the great future here. Con-  
tracts have been let for the work on  
the Kipper tract as well as the Tenth  
street boulevard tract, and the dirt  
will begin to fly next week."

"Glen Vista, which we recently  
sold out in thirteen days after the an-  
nouncement of the street work, is  
now attracting buyers on resale at  
prices from \$2,250 to \$2,500, prov-  
ing our statement that these lots  
were underpriced."

"Reservations are now being made  
for the Tenth street boulevard tract  
and the Kipper tract, but the actual  
opening of the tracts will not take  
place for one week as we are waiting  
for the tract maps to be recorded."

"Eighteen months ago we had  
1000 lots on the list. Today we have  
less than 10 per cent of that number  
on our list, showing how the market  
has been exhausted on residence lots,  
so great has been the demand."

"Our office in Eagle Rock has been  
showing remarkable activity, report-  
ing something like \$30,000 in sales  
in the first two weeks it has been  
open. We expect to open the second  
office there within the next ten  
days."

## Y. L. I. DANCE IS ENJOYED

The dance which was given last  
night by the members of the Y. L. I.,  
of which Mrs. Frank Salmacia is  
president, in Odd Fellows' hall, East  
Broadway, was one of the most suc-  
cessful social events of the season.  
The committee in charge included  
Miss Virginia Chappius, chairman;  
Miss Helen Godard, Miss Virginia  
Berry and Miss Margaret Finn. Dec-  
orations of purple and gold chrys-  
anthemums, dahlias and crepe paper  
were used effectively throughout the  
hall. During the evening refresh-  
ments of punch and wafers were  
served. Music was furnished by  
Henning's orchestra.

## HITS TRUCK; LOSES TOOTH

Walter Smith of Los Angeles,  
while racing his automobile this  
morning, smashed into a city of  
Glendale truck, which was parked  
along the curb on South Brand boule-  
vard and received minor injuries  
about the face and also had one tooth  
knocked out. According to C. D.  
Ingram of 1221 South Brand boule-  
vard, who witnessed the accident, the  
boy was driving with head down and  
evidently did not see the truck.

Women's intuition is greater than  
that of men.

## COMMENT THAT'S ALL

Protection for Motorists  
Peaches Turn to Apples  
A Great Big Persimmon  
Two Opportunities for You

By Gil A. Cowan

A NOTHER smash at Brand boule-  
vard crossing over the South-  
ern Pacific railroad! Another  
life snuffed out by the rushing rail-  
road trains! Another motorist who  
did not "stop, look and listen."

As long as there are no safety  
gates to swing closed at this dan-  
gerous grade crossing the peaches  
of heaven will swing wide  
open. The city should either place  
a policeman in addition to the flag-  
man at the Glendale tower and make  
all motorists stop, or close the road  
until gates, bells, red lights, etc.,  
make traffic safe.

Everyone should unite in eliminat-  
ing this death trap. And motorists  
should learn the lesson of caution,  
irrespective of time.

L. W. Babcock, realtor at 204 East  
Broadway, is not a student of leger-  
dmain, therefore he does not know  
how certain things happened yester-  
day afternoon, but he believes in real  
live spooks.

The real estate man left a sack of  
peaches on his desk only to find a  
sack of apples there a few minutes  
later. He says he wouldn't be sur-  
prised if the apples turned to wooden  
nutmegs over night.

Mrs. F. I. Marsh of 229 North  
Maryland avenue brought a Japanese  
persimmon to the Glendale Evening  
News office today. It weighed one  
pound and measured twelve inches  
around. Although it was not quite  
ripe the fruit was well developed and  
you may see it at the Chamber of  
Commerce.

Persimmons are one of the most  
delicious fruits to be found in South-  
ern California, their tart taste being  
pleasing to the palate.

Two opportunities of doing good  
present themselves to the public of  
Glendale next week.

The first is limited to former ser-  
vice men and women who are invited  
to join the American legion.

The other is open to all and that  
is the Red Cross roll.

You can do many worse things,  
spend your money more foolishly,  
but if there is anything better than  
the American legion or the Red Cross  
for the mission they fulfill we have  
still to hear about it.

## 'Old Buckskin' and His Trained Animals Here

Sunday matinee and night will find  
"Old Buckskin" and his trained pony,  
"Honest Boy" and the world's won-  
der educated horse, "Headlight," fea-  
turing the Glendale theatre program  
in conjunction with the film "Moon-  
light Follies." "Old Buckskin" and  
his educated animals have just com-  
pleted a month in motion pictures,  
after playing the state fair at Sacra-  
mento where "Headlight" was re-  
viewed by Governor W. D. Stephens.  
The horse's best trick is "making  
change," both for himself and mas-  
ter. The pony does about everything  
it is told.

On Monday "Old Buckskin" will  
introduce his educated mule, "Gin-  
ger," for the first time here, while  
a trio of trained dogs will round out  
the extra act.

## BABY DIED OF EXPOSURE

Sensational developments may fol-  
low the finding of the abandoned  
baby boy in a garage at San Fernan-  
do road and Park avenue, it was in-  
dicated by officers today. A post-  
mortem was held last night by City  
Health Officer J. E. Eckles, deputy  
county coroner, and he gave as his  
opinion that the infant died from ex-  
posure after twenty-four to thirty-  
six hours of life. The body is at  
Pulliam & Kiefer's undertaking parlors.

## J. L. BROWNE SELLS OUT

Ira J. Herbert announces that he  
has purchased the interests of James  
L. Browne in the Glendale Patrol and  
Fire Dispatch, a private watchman's  
organization operating in the busi-  
ness and residential sections of the  
city. Mr. Herbert's headquarters  
will be at 107 South Maryland ave-  
nue and the phone for his service  
will be Glendale 550. It is under-  
stood that Mr. Browne will continue  
with a detective service here.

## JAPANESE AND AMERICANS

There will be a friendly meeting of  
the Japanese and Americans in the  
Sunday school room of the South  
Glendale Presbyterian church at 8  
o'clock tonight. There will be two  
addresses and several musical selec-  
tions. The speakers are Rev. C. A.  
Cole of Glendale, and Mr. Naiga, a  
Japanese brother from Los Angeles.

## JOHNNY MYERS IS WINNER

Johnny Myers of Glendale defeated  
Young Stanley Ketchell of Montana  
last night in a fistic encounter at  
Anaheim, according to those who  
saw the scrap. He did not know who  
his opponent was until he got to the  
Orange county town. E. V. Jellison  
and Ralph Myers accompanied him  
on the victorious trip.

TWO POPULAR LINES  
REPRESENTED IN GLENDALE  
The Page Furniture Company, 306  
308 East Broadway are Glendale  
agents for Ostermoor mattresses and  
the Whittall line of Anglo-Persian  
rugs. These are but two of the well  
known brands of furniture carried  
by this store.—Advertisement.

**Economical, Powerful,  
Easy Riding**

No automobile ever met with greater popular approval in a short time than the new Overland 4—the de luxe light weight car.

It rides as easy as cars costing two and three times the price, due to its exclusive triplex springs. Its power and stamina are unquestioned.

In economy—the new Overland cannot be surpassed—the consumption of oil and gasoline having been reduced to a minimum.

Before buying any lightweight car allow us to show you the Overland 4—ride in it—see for yourself its many advantages.

**The Motor That Improves With Use**

The Willys-Knight has long been classed as one of the country's quality cars. The "Silent Knight Motor" is constructed along a different principle than ordinary motors. It has no valves to grind—there is no carbon to clean—the longer it is in service the smoother and more silent it works.

The balance of the car is constructed in keeping with this phenomenal motor—and an owner of a Willys-Knight is assured of many years of satisfactory motor service.

The new prices allow this car to be sold at the same price or less than many ordinary automobiles without the Willys-Knight exclusive features.

## Pacific Coast News

### Traffic Laws Puzzle Him

SAN DIEGO, Nov. 5.—Lieut. Albrecht Berg Von Linde, local consul from Sweden, says American traffic laws are puzzlers. When he failed to appear in court he explained that in Sweden he would have received a bill and remitted his check, and he was waiting for his bill.  
"In Chicago I was arrested for going too slow—blocking traffic," he said. "Here I am charged with going too fast and last of all cutting a corner!"

### U. S. Shipping Barred

SAN DIEGO, Nov. 5.—American shipping interests are practically barred from Mexican west coast trading, according to H. F. Yost, American consul to Guaymas, Sonora, who is in this city on a vacation.

British shipping interests have a firm hold on the Mexican coastwise trade, and have been able to secure concessions giving them a practical monopoly, Yost says.

### Freed in Killing Sister

REDDING, Nov. 4.—Jack Ladd was today absolved of blame for the death of his sister, Mabel Ladd, 19, by a coroner's inquest in Siskiyou county. He accidentally shot and killed her when he fired a rifle at a dove on a clump of brush. His little sister ran from behind the brush, crying, "You have killed Mabel." The bullet went through Mabel's head.

### Drinks Own Product; He's Dead

SAN FRANCISCO, Nov. 5.—To the drinking of his own product, the police today attributed the death of Edward Fleming, 39.

He was shot and killed by his wife, according to the police, after he had beaten and kicked her in a drunken frenzy. She used a revolver which Fleming had searched for vainly in an effort to kill her.

Their 3-year-old son witnessed the tragedy. Mrs. Fleming is in jail charged with murder and the child is in the care of juvenile authorities.

### Soldier Fatally Injured

SEATTLE, Wash., Nov. 5.—Sergeant Charles M. Buck, 38, of Fort Lawton, was fatally injured when his automobile was rammed by a five-ton truck driven by R. Matsuda, who was booked at police headquarters on a charge of reckless driving.

### Complete Pictorial Record

SAN DIEGO, Nov. 5.—Operating from San Pedro, six F-5-L seaplanes from the Naval Air station here will make a complete pictorial record from the skies of Pacific fleet battle maneuvers early next month. The aircraft tender Aroostook and submarine chaser 239 will "mother" the planes.

### New Fishing Laws Effective

SAN DIEGO, Nov. 5.—New fishing laws, forbidding purse seine fishing in Mexican coast waters have been put in effect today. Violators of the regulations will be punished by confiscation of boats, it was announced. A large number of purse seine boats have been working out of this port, fishing along the Mexican coast and their operations will be seriously curtailed.

### Auto Stolen at Gun Point

VISALIA, Nov. 4.—For the first time in the history of this county an automobile was stolen at the point of a gun. E. D. Satterfield of Lindsay reported that he had been held up by two highwaymen who robbed him of \$70 and then escaped in his automobile, leaving him stranded on the road.

### Freighter Is Damaged

SAN FRANCISCO, Nov. 5.—Word was received by the Marine Department of the Chamber of Commerce that the freighter Frederick Luckenbach, San Francisco for Mobile, has been towed into Tampa Bay heavily damaged as a result of having been in the path of the hurricane which swept southern waters.

### Two County Prisoners Escape

REDDING, Nov. 4.—E. E. Gould and John Horne, Colusa county convicts, escaped from a highway convict camp at Montgomery Creek, according to word brought here. Francisco Valenzuela, San Diego convict, who escaped Sunday night, has been recaptured at Red Bluff.

### Fear Epidemic; Close Schools

WEAVERVILLE, Nov. 5.—The schools were closed here today and a rigid quarantine is being enforced following the death of Ben Barnichel, 15, of diphtheria. An epidemic is feared. Barnichel was chief of the fire department and head of the local telephone company. He also owned a drug store.

### U. S. EXPENDITURES CUT

WASHINGTON, D. C., Nov. 5.—The estimated expenditures of the government for the fiscal year 1922, have been reduced by \$94,000,000 since August 10 estimates were sent to congress, it was announced by Budget Director Dawes. He submitted this information to the president for transmission to Speaker Gillett. The present estimates for 1922 are \$3,940,000,000 as compared with estimates of \$4,034,000,000 submitted on August 10. The budget director estimated that reductions for the current fiscal year will be approximately \$609,000,000.

## Making Highways Safe Interests School Folk

School children and teachers throughout southern California and in the local schools are taking an active part in making the highways safe for themselves and others.

The big prize contest, involving a free trip to Washington, is now bringing in actual results, according to an announcement just issued by the Automobile Club of Southern California.

One teacher in a southern California school has put her class to work solving important safety problems. Once each week she marshals the children out into a quiet street and lets them show graphically what dangers attend playing on the street.

Skating on main thoroughfares, coasting, playing marbles or ball where autos are passing, is shown to be dangerous. On the blackboard pupils have listed a number of "don'ts" which the children are to observe.

The day for the distribution of the prizes is near at hand—December 10 being the last day of the contest. Each week the various local schools are filling hundreds of essays from children on safety subjects. Thousands of teachers are working for the free trip to Washington by establishing a special course of instruction on safety matters.

Auto club officials declare that this work is having a direct bearing on the diminishing number of traffic accidents involving school pupils. Accidents at home, from burns or carelessness are also decreasing because the children are taking an active interest in learning how accidents may be avoided.

Up-to-date information on the prize contest has been received recently by all county offices of the auto club, and local teachers are asked to call at the club and receive the new instructions issued from Washington.

### TICKETS TELL WHO'S NEXT

In Paris, during the rush hours, passengers are required to line up in advance for a ride on motor buses, the first to arrive being the first on. The question of who comes first is settled by numbered coupons, attached in series on a nearby lamp-post for each passenger to grab as he steps up. When the bus comes along the conductor calls for the lowest number first, then the next.

Virtually every Commonwealth in the United States has a different method of examination through which permits to operate a motor vehicle are granted.

### PASTOR QUIT'S NEWSPAPER

KANSAS CITY, Nov. 5.—The Rev. Burris A. Jenkins, pastor of the Linwood Boulevard Christian church, has severed his connection with the Kansas City Post, of which he has been publisher for nearly three years. Pressure of church activities, it was stated, made a choice necessary between the church and the newspaper. "The church is, and always has been my first consideration," Dr. Jenkins stated. Dick Smith, managing editor, will be editor in chief and will have charge of the publication of the paper for the present, it was announced.

The smallest engine built for automobiles in the United States today, has four cylinders, with 143.1 cubic inches piston displacement.

Because of the different grades of gasoline, inferior and superior, several producers in Europe are planning to give each grade of their product a distinctive color that will make it possible to distinguish it at a glance. Any attempt to mix or blend two or more grades would be detected by the alteration of the shade.

**ONE CAR TO EACH 250,000**

While the United States is the best country in the world for motors—a car for every eleven—Liberia is the safest for pedestrians, or a registry of eight cars for a population of 2,000,000 inhabitants.

In the last fiscal year, the American public spent \$1,675,762,800 for motor vehicles, as compared with \$2,008,665,000 in 1920.

## TRADE DINNER WILL BE FOLLOWED BY ENTERTAINMENT

Auto Association Will Hold  
Big Meeting November 9  
at Hotel in Pasadena

Reservations are beginning to pour in from all parts of southern California for plates to be reserved for the San Gabriel Valley Auto Trade association's ladies' night and general meeting, which is to be held Wednesday night, November 9, at 7 o'clock, at the Hotel Vista del Arroyo, Pasadena.

The last meeting of the association proved to be so successful that members have been requesting another one ever since, it is stated. One hundred and fifty attended the last one; 200 will probably be present for Wednesday's entertainment.

The program committee has lined up what is promised to be a very snappy evening's entertainment. The featured speaker of the evening will be Henry W. Wright of South Pasadena, speaker of the state assembly.

Character analyst, M. E. Drum, will be present to tell how characters can be read at a glance, ending up by reading the characters of various persons present, though he has promised not to bear down too heavily on their bad points.

### Electrical Exhibit

Norman I. Prosser, Prest-O-Lite battery, and electrical dealer, will present his electrical exhibit. This exhibit has been pronounced the equal of any now on Vandeville circuits, and is a revelation of what can be accomplished along electrical lines. It will be especially interesting to the women, as many beautiful displays of electrical figures, shapes, stars, crosses, etc., in various colors, will be shown.

Among the many unique stunts will be that of lighting electrical globes under water, igniting wicks, cigars, etc., from the bodies of various people.

Then will come dancing and card playing. From 9 until 11, the "light fantastic" will be tripped.

The management of the Hotel Vista del Arroyo has promised their usual excellent service and dinner, and it looks like a big night for those who attend this affair.

A number of the Glendale members of the association are making plans to be present.

Every mile of new hard-surfaced road construction in this country creates a market for 25 additional automobiles.

# A New HUDSON \$2280

## A GREATER SUPER-SIX FOR LESS MONEY

### See It Here Today

It is a handsomer car  
It is easier to operate  
It is improved in many  
mechanical features

It is more economical  
It has the exclusive  
Super-Six features  
for increasing car life

These improvements are added to the car that men for six years have given the largest buying preference of all fine cars.

They are advantages of commanding importance; fundamental in the results secured.

Every phase of car operation is affected. Greater economy results. A smoother, finer mechanism in all ways, from starting and handling throughout the entire range of its performance, is manifestly evident in the first ride.

And these are permanent values you will take satisfaction and delight in, for all the years you drive the car.

Hudson has never announced a "new car," upon the strength of mere minor improvements and refinements. These of course have been constantly in progress, since the first Super-Six was brought out. Nor has the mere addition of re-dressing of a car with accessories ever seemed to us justifiable grounds upon which to exploit the interest of motorists in a new car.

### Why This Great Public Acclaim?

Hence we felt sure that the public would know there were genuine and basic changes and improvements in Hudson, when we announced a New Super-Six. And the almost universal interest manifested at the first showings of these cars, confirms our confidence fully.

All the notable qualities for which Hudson is known are retained in the new Hudson. There is even greater performance ability than enabled the old Hudsons to set their famous records.

Although the Hudson factory has participated in no contests for nearly five years, reminders of its performance supremacy are constantly present in the independently operated Super-Sixes that methodically win prize money in all important motor contests.

### Performance Leadership Is Strengthened

Just as recently, a non-professional driver converted an old Super-Six at little cost, and entered it in the Pike's Peak hill-climb against teams of high-priced cars, specially built, factory managed and professionally driven. The Super-Six Special won its race and the Penrose trophy in 19 min. 16.2 sec., the fastest time in which this course was ever covered, except by another Super-Six, which in 1916 set the unequalled course record of 18 min. 24 sec.

No car, at any price, can share all the advantages of the new Hudson Super-Six. And only a few of the costliest share even a portion of them.

See the new Hudson and ride in it. Then decide whether any car lacking equivalent qualities can possibly compare with it!

### Here Are Eight Rules, Motorists; Read Them!

Courtesy on the road among motorists is akin to safety, say officials of the Automobile Club of Southern California, and a new "courtesy" series of suggestions is now being issued by the club for the thousands of motorists in this section of the country.

Lack of courtesy, it is pointed out, often leads to recklessness which, in turn, leads to accidents. Therefore motorists are asked to read the following courtesy rules and see if they wish to observe them:

These are the suggestions for courteous treatment of each other offered to auto owners throughout the United States by the Auto Club:

1. When a man approaching you from behind sounds his horn as a signal that he wishes to pass, don't "step on it." Draw over to the right and let him go by.

2. Do not use more than your half of the road, thus crowding others into the ditch.

3. It is not courteous to "steal" a parking space from a man who is just getting ready to back into it.

4. Do not imagine that every motorist on the road who tries to pass you is starting a race. He may be on important business.

5. When you pass a man from behind, going in the same direction, do not cut in directly in front of him. This is discourteous.

6. Do not shove another man's car along the curb to make room for yours, thus jamming his car against a fire-plug or the car ahead.

7. It is discourteous to halt behind a traffic jam and honk your horn.

8. The correct giving of hand signals is courteous as well as safe.

### CHICAGO BANS RED AUTOS

According to an ordinance passed by Chicago, privately owned automobiles painted red will not be permitted to travel the highways. Interference by red cars with fire department activities is given as the reason for the new ruling.

As a result of model motor camps in the west, it is estimated that automobile tourists from central mid-west states have distributed over \$4,000,000 for the privilege of living in the open this summer.

### PUTTING THE TEETH IN IT

An amendment to the national motor vehicle theft act, imposing a fine of \$5000 and up to five years' imprisonment upon any one who transports or receives cars over state lines with intent to defraud owners or insurance companies, was ordered favorably recorded recently by the state judiciary committee in Washington.

### EXCESS CHALK HURTS TUBE

Too much is more than enough of anything. An excess of chalk dust in the tire casing reduces the life of the tube instead of reducing the friction on the rubber itself, according to Gordon Williams, of the Stephens Tire Stores company.

In London, a propeller drawn motor car was successfully operated through traffic recently. The blades were enclosed in a wire screen for protection of the public.

A horn, invented to be carried on the rear of an automobile, is sounded automatically when the car is moving backward.

### TOTAL U. S. SPECIAL TAXES

The total special tax paid by motorists in this country amounts to \$267,000. This does not include the regular personal property, excess profits, income, or other taxes to which the car owner may be subject.

The first automobiles to be imported to the United States were in 1898; there were 100 in number. In 1901, the first cars were exported from this country, totaling 184.

## CONSULT EXPERT ON CLOSED CARS GAIN WHETHER BATTERY CONTINUALLY IN IS STANDING UP PUBLIC'S FAVOR

Electrical Appliances Make Southern California Folk Are  
Heavy Drain, Is Claim by Fast Adopting Style So  
Local Exide Dealer Popular Through East

It is difficult for the motorist to day to carry himself back ten or twelve years, to the time when all cars were cranked by hand and when the most powerful headlights were dependent upon acetylene gas for their brilliancy.

But let the battery go "bad" and let the average man get out to crank his car on a rainy night, with the road ankle-deep in mud, and he will realize how deeply he is indebted to the storage battery for much of his motoring comfort.

Not only is his engine started and his way illuminated at the touch of a button, but numerous other conveniences have been added which, a few years ago would have been considered foolish flights of the imagination.

Many of the luxurious sedans of today are equipped by the manufacturers with electric cigar lighters, electric step illuminators and numerous other electrical appliances that add to the comfort and joy of motoring.

Some car owners add so many electric contrivances that, in the aggregate, they are a heavy drain on the battery. This is sometimes one of the reasons for its apparent inability to retain a charge.

### Consume More Current

H. M. Parker, one of the proprietors of the local Exide Service Station, says on this subject:

"Heating devices of any kind, such as electric vulcanizers, electric cigar lighters, electric steering wheel warmers, etc., consume far more current than does the ordinary light bulb.

"And with the average owner using his car in the winter only for short runs—very often at night—his generator can only put into his battery a limited amount of electrical energy. If there is added too many electrical appliances which consume current in excess of what the designers intended should be drawn from the battery, it is easy to see what will happen. It is the old case of burning the candle at both ends. It simply can't be done for any length of time.

"These various electric appliances are good things. They add to the joy and convenience of motoring. But before too many are added, it would be well to consult a reliable service station and see that the battery is in condition to stand the additional work imposed upon it."

### SOMETIME

(With Apologies to Eugene Field)  
Last night, my Buick, as you slept,  
I thought I heard you sigh,  
And out to your garage I crept,  
And watched a space thereby,  
Then, bending down, I oiled you up—  
For, Oh! I love you so—  
You are too new to know it now,  
But some time you shall know.

Some time, when, on a muddy road,  
Where many cars are stuck,  
You'll see the others all get towed  
While you'll sail thru the muck;  
Your engine fine will carry you  
Where e'er you want to go—  
You are too new to know it now,  
But some time you shall know.

Your usefulness for many years  
Will prove a great delight,  
And do not be oppressed with fears  
That I'll not treat you right  
I'll keep you full of oil and gas  
And shine you till you glow—  
You are too new to know it now,  
But some time you shall know.  
—A. Hazel Knutt.

California motorists have become as strong advocates of enclosed car comfort as those who live in eastern states and the percentage of sales seems likely to become reversed, according to S. C. Packer of the Packer Auto company, San Fernando Valley distributor of the Studebaker line.

For many years the public looked on closed cars as suited only for inclement weather such as many eastern states have, but from which California is almost immune, but now it has been demonstrated that enclosed cars give so much added comfort in all kinds of weather that California sales bid fair to become larger than anywhere else in proportion to the population.

The limited production of closed motor carriages kept the price high for a number of years, but now with an increased demand the added cost of an enclosed body over one of open type on the same chassis is greatly reduced. It is possible now to buy closed cars at or near the price of open cars of the same quality quoted five or six years ago so that today the motoring public are getting the added comfort and satisfaction of owning a coupe or sedan for no more investment than was required in 1914 or 1915, says Mr. Packer.

### Increasing Efficiency

Business men are favoring enclosed cars for their own use and for their traveling salesmen for they have discovered that the comfort of themselves and of their high priced employees is an asset and adds to efficiency and earning capacity.

Another field of sales that has been developed is from the motorist who has a need for a roomy touring car but many times finds that he needs the car at the same time other members of the family wish to tour out of the city or entertain friends. Strange as it may seem, most of such buyers advocate the ownership of two cars as an economic necessity, for instead of running the big car much of the time with the head of the family as the only passenger, the use of a small coupe-roadster cuts down the operating cost more than the interest on the increased investment, says Mr. Packer.

### Along Auto Row

#### Like Good Old Days

"It is like the old days again," said A. M. French of Bartlett & French, 201 South Brand boulevard, yesterday. "Since the drop in the price of the Hupp the demand has just absorbed the entire stock in Southern California. The factory has been wired to send out several carloads for this district at once."

#### Watch for Battery Trouble

"It is very important that car owners should give immediate attention to the first indication of battery trouble," said Harvey M. Gill, of the Westinghouse Service Station, 233 South Brand boulevard, yesterday. "Otherwise he is likely to be stalled on the road at some inconvenient place."

#### He Likes Glendale Best

Glendale looks pretty good to W. A. Smith of "Smithey's" Garage, on Harvard street and Brand boulevard, and that is why he has just rejected an offer to take charge of a department in connection with a Detroit automobile factory. Mr. Smith has been a resident of this city about two years. Formerly he was connected with the Chevrolet branch in Los Angeles.

#### Use Soap and Water

"Wire wheels should be washed thoroughly with soap and water," said Jack St. Claire of Jack's Auto Service, 233 South Brand boulevard, yesterday afternoon, speaking about the care of cars. "Distillate should not be used because it cracks the paint and deadens the enamel. There is a special auto soap made which makes a fine lather in a bucket of water. This should be applied to the spokes with a brush, rag or a sponge and then washed off with a hose. Don't be afraid of using plenty of clean water."

#### Ford Agency Is Busy

"Business is still good," stated Edward S. Lawrence, assistant manager of the Ford agency, yesterday. "We sold out our stock of open cars and had to borrow four touring cars from Los Angeles. Six of the nine runabouts have been delivered to the Southern California Edison company. A load of eleven cars came in this week; seven runabouts are due on Monday; and a load of seven touring cars is expected about Wednesday. There is still a scarcity of closed cars and coupes."

#### Buick Gets First Choice

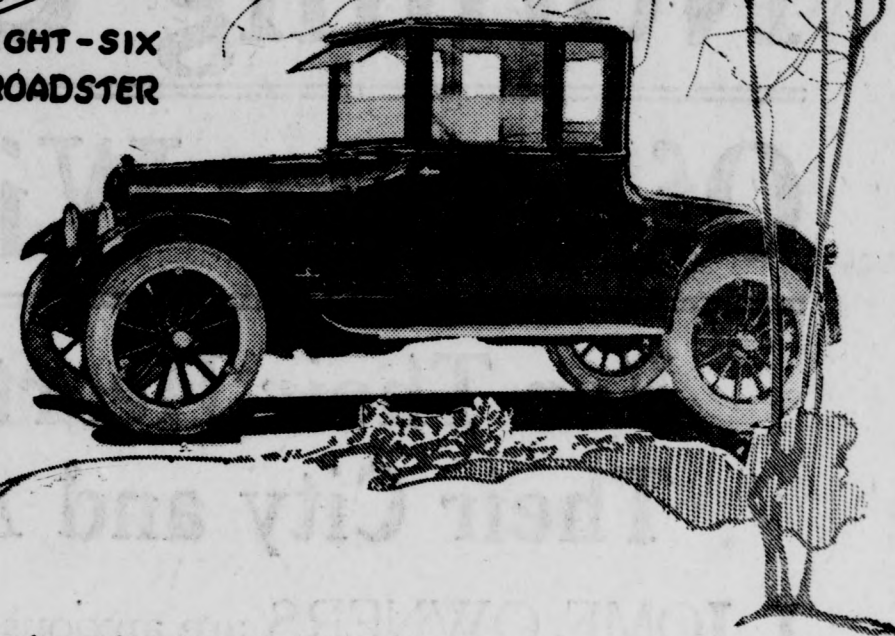

The Buick once more has won the privilege of first choice in space at both the big national automobile shows, according to word received yesterday by Tanner & Hall, Ltd., 237 South Brand boulevard, which is interpreted to mean that the valve-in-head car has won another victory in the automotive world.

The award is made on the number of sales actually made during the year preceding the date of the New York show at the Grand Central Palace the week of January 7 to 13. The Chicago show will be held two weeks later at the Coliseum.

There are ninety-four cars entered in the New York show and eighty-two in the Chicago show.

A regular automobile service was recently established by the postal administration between Rovaniemi and Sodankyla in Finnish Lapland.

Investigate  
The  
Studebaker  
LIGHT-SIX  
COUPE-ROADSTER

The ever increasing demand of motorists for enclosed cars of moderate price that will link comfort, in all kinds of weather, with satisfactory performance and economy of operation has been met by the Studebaker line of enclosed cars.

The Light Six Coupe-Roadster, in particular, gives the professional and business men a sturdy car of long life with the greatest economy of operation known. Its low initial cost places it within the reach of those who have been unable, heretofore, to invest the amount necessary to purchase a really fine enclosed car.

The entire line of Studebaker enclosed cars has been built to meet high standards of comfort, appearance, endurance and economy with a low initial cost for such qualities.

Motorists have a right to demand these qualities and Studebaker has been able to meet every requirement fully.

Take a real demonstration ride with us and judge for yourself as to Studebaker performance and quality. Telephone us when you would like to have a car sent to your door.

## The NASH FOUR at \$1265

F. O. B. GLENDAL E

presents the most  
striking contrast of  
high quality and low  
price that the industry  
has ever known.

A big, handsome, roomy car of slim, graceful lines, amply powered and slung on unusually long semi-elliptic springs, the Nash Four was designed and built as the quality leader among high grade four-cylinder cars. Even at its original price, its remarkable value was apparent in every feature.

of body design and finish which always characterize a Nash product.

And you expect the riding comfort of a big car, even over the roughest roads.

### And You Get It for Less Money

In every attribute of appearance, performance and riding comfort, this car will exceed your expectations.

The new low price, for such unheard-of value, is possible only through greatly increased production and a slender margin of profit.

Drive this car today—test its speed on some smooth stretch of road, try its power and acceleration on some stiff hill, then drive it through traffic and observe how smoothly it throttles down.

In quality it is comparable only with the very highest grade four-cylinder automobiles.

Yet in price, at its new low figure, it is virtually on a par with the accepted popular priced car market.

### You Expect More in a Nash

You expect the power, flexibility and ease of handling for which the Nash Perfected Valve-in-Head Motor is so widely famous. You expect the beauty

# Nothing Can Stop the Progress Of a City With Home-Ownning Citizens

**For Their Hearts, Minds and Souls Are Wrapped Up in  
Their City and Are Willing to Work For Its Upbuilding.**

**H**OME OWNERS are anxious to have a say as to who will manage the affairs of their city. They will gladly lend their moral and financial support for new improvements, as they appreciate all of these not only enhance their holdings but make the city in which they live more convenient, modern and attractive. And coupled, with all of this, heads of families have come to appreciate---

*That Home Building is true economy. That Home Building is an incentive to systematic saving. That Home Building instills into each member of a household the saving spirit.*

Surely nothing will draw a family closer together than the building of a modern home. It creates a co-operative spirit, each member feeling the responsibility attached to home ownership and will make every effort to aid in paying for it.

Home Building for the average family opens up many avenues  
for saving money which ordinarily would not be called into use.

Some people have led themselves into erroneously believing that renting is cheaper than building. While we know that circumstances prevent many people from ever owning a home, it is folly for one who has the opportunity not to take advantage of it.

Renting is not economy—in the end what have you? Only rent receipts, and you still lack a roof over your family's head.

Many people never own a home because they say they cannot pay cash for it. Still you pay rent every month. Build a home and pay it out monthly. You'll be paying rent to yourself. Build a home and see how quickly the whole family becomes interested in it, how they will begin to save and practice economy. They will want to co-operate, do their share in helping to pay off the mortgage that the home be free and clear, all your very own at the earliest possible time.

Pride of ownership, satisfaction of accomplishment, offset sacrifices you and your family will make in acquiring a home. We know if you give Home Ownership the consideration it deserves, your decision will be—BUILD NOW!

**1605 -- 1606**

It is hard to find a more distinctive, practical or convenient idea than is incorporated in the features of this model bungalow.

The exterior is painted white with green stain on the roof, and with red brick capped chimney and foundation terrace and entry porch, forms a combination which is very pleasing.

The alternate floor plans give ideal arrangements which are hard to find in the planning of a small home. All modern conveniences are incorporated.

*The following organizations, public-spirited firms and individuals are interested in helping to make Glendale a city of more beautiful homes and to assist in every possible way in creating homes for those who are desirous of making our city their future home, and it is their recommendation that all who can possibly do so build homes or convert their surplus money in home-building channels.*

## NEW NASH FOUR IS HERE; RIDES OVER RUTS WITH EASE

Several Additional Features  
Are Provided; Displayed  
at 207 North Brand

With the swing of a Six, the new Nash Four made its appearance yesterday at the Glendale Nash Sales showrooms, 207 North Brand boulevard. The body changes in the latest model give the light Nash a more dignified appearance—the hood looks good and the raised tonneau adds to the comfort of passengers.

Among other new features found in the car this winter is Delco ignition, 5-inch stroke, 3 1/2 bore and 33 by 4 tires. The predominant virtues of the Nash Four are its exceptional power and unusual economy, effected by the valve-in-head motor. The well-finished bodies, generous upholstery, complete dash equipment, 112-inch wheel base, cord tires and other standard equipment.

Most noticeable to a person riding in the new car is the absence of vibration and the effectiveness of the elliptic springs in ironing out the bumps is quite marked. To show how easily it rides over the ruts, Mr. Sutton last evening took a representative of The Glendale Evening News over Milford street between Central avenue and Brand boulevard. No bones were broken.

Driving north on Brand the demonstrator that has gone but twenty-two miles from the stockroom floor first throttled down to three miles per hour without jerking and leaped back to twenty-five miles within a short block. Certainly such a demonstration proves the adaptability of the Nash to suburban conditions existing here.

## Vaudeville Program at T. D. & L. Theatre Satisfies Audiences

Theatregoers of Glendale who attended the Meiklejohn & Dunn vaudeville road show at the T. D. & L. theatre last night were pleasantly surprised at the meritorious program which had been arranged for them. Unusually attractive in every way, the acts showed what could be done to delight Glendale audiences.

Wilbur & Lyke caused many to gasp at their daring offering. Between laughs were sandwiched many thrills and the whole act is one of the best of its kind. This couple call their offering "Songs, Bumps and Smiles."

That dexterous couple, the Winter Garden Duo, had the audience with them from the start and their versatile offering won much applause for them.

Three other acts of equally pleasing entertainment value filled this excellent program and that star who is the favorite of everyone, Ethel Clayton, appeared on the silver screen in her newest vehicle, "Beyond." The mystical theme of the photoplay is developed in such a way as to bring out all of Miss Clayton's dramatic ability.

Charlie Chaplin comes Sunday in his latest laugh maker, "The Idle Class," where he plays his first dual role. The bill also features that great Metro society drama, "Hearts Are Trumps," with an all-star cast.

## Are You Fat? This Is Written All for You

"Nobody loves a fat man" has been used as the base of the plot for almost every kind of story, play and movie. The gentleman with the round bay window hidden but not concealed under a well-tailored vest has come in for ridicule in print, on the stage and on the silver screen. No one seems to take pity on him. Instead of being praised for the keen

discernment in the matter of food-stuffs and their proper preparation, he is condemned for over-eating. Instead of getting credit for a genial disposition and a happy outlook of life, he is imposed upon for his ready good nature. Instead of being held up to the young as a shining example of even temper, he is pointed out to the youth of the nation as a horrible example of what they will become if they keep on robbing the jam closet. Even in the matter of his pleasures, he is condemned to mediocrity on account of his weight.

Someone back at the Hudson factory must be fat; in fact, he must be of those classic lines made historic by the writings of Irvin Cobb. For the new Hudson speedster makes a special appeal to the man with the generous front, according to W. W. Riley of the Glendale Hudson Motors.

IF SHOES HAD DROPPED LIKE THE PRICES OF OUR USED CARS, HIGH-TOPPED BOOTS WOULD BE SOLD IN BUNCHES LIKE BANANAS. VELIE-GLENDALE MOTORS.—Advertisement.

1919 Peerless Eight; mechanically good. In need of paint job. See owner, 439 West Milford street, Glendale.

**FOR SALE**—Late 1920 Buick, run very little, bumper, chains, shift lock, motorometer, searchlight, parking light, Federal cord tires, almost new; will consider small car in trade. 1012 San Rafael Ave.

**FOR SALE**—Here is one that beats them all; an 8-room bungalow, modern, 3 hardwood floors, all built-in features, lot 10x166; abundance of fruit, flowers and lawn; a very small amount of cash will handle this; only \$5500, worth much more. See Hovos for further particulars. Glendale 1518-J. 143 S. Brand.

**TOMORROW, SATURDAY**, we will offer an assortment of used Fords, which for completeness and variety cannot be duplicated, we believe, in Glendale, at prices which we know cannot be equaled, either in Glendale or Los Angeles.  
We sell used Fords for less money than new car dealers trade them at. Among the Ford cars in Saturday's sale are:

- 2 Tourings, with starters
  - 3 Tourings, without starters
  - 1 Roadster
  - 1 Sedan
  - 1 Speedster, with starter
  - 1 Speedster, without starter
  - 1 Truck, stake body
- We are open evenings.  
We give easy terms.  
We trade.

**MANY GOOD POINTS**  
**ARE EMPHASIZED**  
**IN OVERLAND**

Number of Instances Being  
Brought Forward to Show  
Desirability of Car

George T. Smith, 228 South Brand  
boulevard, distributor for the Over-  
land and Willys-Knight cars, has  
employed Zeno J. Pfau as salesman  
for the new Overland and Willys-  
Knight agency here.

In putting the Overland on the  
market Mr. Smith points out the  
Willys-Overland company of Toledo,  
Ohio, is emphasizing the following  
qualities to be found in the car:  
Economy, reliability, endurance,  
strength, power, stamina, riding  
comfort, durability, ease of handling  
and style and completeness.

In economy the company cites the  
instance of the Overland winning in  
the 335-mile Los Angeles-Yosemite  
Economy Contest in the spring of  
1920 in California, in addition to the  
grand sweepstakes and the Baker  
Economy Cup for the best economy  
record in gasoline, water, oil and  
tires.

In reliability the records show that  
the Overland made a non-stop,  
sealed-hood run in South Africa of  
1,030 miles from Capetown to Jo-  
hannesburg, Tom Smith, editor of  
Motoring in South Africa, saying:  
"The engine worked like a Trojan,  
and never faltered despite heavy go-  
ing across that practically roadless  
country."

**Test of Endurance**

The endurance was tested when  
the car made 5,452 miles over frozen  
Indiana country roads in 168 hours  
of continuous driving, an average of  
30.45 miles an hour and an average  
of 20.24 miles per gallon of gaso-  
line. A strength exhibition has been  
given at many fairs throughout the  
United States where the car raced  
down a speedway and then up an in-  
cline, clearing a five-foot barrier and  
landing eighteen feet away, it being  
pointed out by the company that a  
blow of 42,000 pounds was sustained  
at each jump.

For power an Overland at Hugo,  
Oklahoma, was loaded with three  
bales of cotton and five passengers  
and then hooked up with floats  
loaded with ten bales and twenty  
people, making a total weight of 17-  
275 pounds which was hauled suc-  
cessfully.

**Gold Fish on Trip**

The stamina phase of the car is  
pointed out by the firm in that the  
Overland pioneered the 500-mile  
journey, the "Road to Mandalay,"  
from Rangoon to Mandalay, the jungle  
road being traversed in forty-  
three hours. Five gold fish swim-  
ming about in an ordinary open glass  
bowl resting upon a platform over  
the rear seat of an Overland sedan,  
traveling 573 miles in a six-day tour  
in South Dakota last August, proves  
the riding comfort of the car, claims  
the company.

In like manner the durability, ease  
of handling, style and completeness,  
are features shown by tests con-  
ducted by the company.

In placing the Willys-Knight on  
the market Mr. Smith claims a classy  
car with more than 50,000 satisfied  
owners. The big selling feature of  
the Willys-Knight states Mr. Smith,  
is that the car is light, fleet, grac-  
eful and strong, especially designed  
for its life-time motor, having no  
valves to grind, and no delicate  
mechanism to get out of order. The  
motor is especially constructed with  
two simple sleeves grooved for per-  
fect lubrication, which slide up and  
down in a cylinder separated by a  
film of oil. Special firing chamber,  
and ports in the sleeves admit and  
emit gases. In elaborating on the  
features of this motor the company  
states there are no springs, no cams,  
no tappets, and no valves to grind,  
and that the power increases with  
use.

**FORD SEDAN, \$350. 246 S.**  
**BRAND. GLENDALE 646.**—Adver-  
tisement.

**NO SHORTAGE OF COAL**

WASHINGTON, D. C., Nov. 5.—  
In the event of a coal strike there is  
sufficient supply of fuel on hand to  
prevent any immediate suffering, ac-  
cording to the National Coal associa-  
tion. A survey of the coal supplies  
made by the National Coal associa-  
tion, shows that there is a supply of  
household coal on hand sufficient  
to last from six weeks to two months.  
Public utilities have from two to four  
months supply on hand and the rail-  
road systems have approximately a  
six weeks' supply.

**MORE POWER IS PROPOSED**

CHICAGO, Nov. 5.—Amendment  
of the transportation act in order to  
give the United States railway labor  
board power to enforce its rulings is  
under consideration at Washington,  
it is learned. Members of the labor  
board have been consulted concern-  
ing such a measure. The senate bill  
originally contained a penalty clause  
which was eliminated in the joint  
conference and resulted in the  
draft of the Esch-Cummings bill  
which was passed.

### Local Football Team Beaten by Franklin in 7 to 0 Contest

Glendale's chances for a football  
pennant were "knocked for a row"  
yesterday afternoon, when Coach N.  
C. Hayhurst's warriors were beaten  
by Franklin 7 to 0. It was a fight  
from the first note of the whistle to  
the last. Franklin had quite an ad-  
vantage over the locals in that they  
were a good deal heavier, about ten  
pounds to the man. Franklin has  
always been a jinx for the red and  
black warriors, beating them for the  
last two years, last year on Armistice  
day.

This makes the first game that  
Glendale has been beaten, and if they  
beat Monrovia, the league leaders, it  
will make a tie, which will have to  
be played off to determine the win-  
ners of the 1921 pennant.

The lineup:  
Glendale—Wilson L.E., Giffler L.T.,  
Fraley L.G., Chase C., Bartow R.G.,  
Clouse R.T., Ryan R.E., Terzo C., Stofft  
L.H., McCourt R.H., Dutcher (c) F.  
Franklin—Goddett L.E., Cuthbert  
L.T., Baldwin L.G., McNeil C., Hawkins  
R.G., Itch R.T., Teachout R.E., Brobst  
Q., Lloyd L.H., Lee L.H., Gullick F.

**FULL LINE KLAXON HORNS**

Autoists now can buy their klaxons  
at Rich's Auto Supply store, on the  
southeast corner of Colorado street  
and Brand boulevard, and have it  
fixed next door at the E. W. Cizek  
Auto-Electric Service Station. H. W.  
Richards says that statement would  
be all right if every klaxon was not  
guaranteed to work properly before  
leaving the store. So far as known,  
Rich's Auto Supply store is the only  
establishment in the city carrying a  
complete line of Klaxon horns.

**SERVICES ARE TAKEN OVER**

Delco-Remy and Klaxon service  
has now been taken over by us,"  
stated Henry Kuhn of the E. W.  
Cizek Auto-Electric Service station,  
300 South Brand boulevard, yester-  
day afternoon. "This is now the ex-  
clusive, official and authorized ser-  
vice station for Willard storage bat-  
teries, Connecticut ignition and  
Delco-Remy and Klaxon—which is  
United Motors Service."

## THE GLENDALE NATIONAL BANK

### Taking Chances?

"Don't do it," is the counsel of wisdom and ex-  
perience.

Speculation and agitation are boon companions.

When you "take a chance" you break the law of  
natural progress.

Money in a strong, dependable bank is always at  
your beck and call.

The wise and prudent man governs himself ac-  
cordingly.
